Actual Screens

Party Songs

Now you can sing along with 18 classics. They are loaded with humor and nostalgia—just right for when friends get together. Your computer plays music in three-part harmony, while verses are displayed under an entertaining picture for each song.

Easy to use—just choose one song at a time, or press the "continuous play" key to play them all.

In addition to easy-to-read lyrics on the screen, a song booklet is included.
